

INTERNSHIP PROGRAM

The Arts Alliance Center at Clear Lake will launch a professional internship program this summer.

Students will be given the opportunity to gain both administrative and artistic experience and familiarity within the unique environment of a multidiscipline non-profit arts organization.

Join our diverse, creative and talented staff of proven professionals in the fields of exhibits curator, arts education, arts administration, and public relations. Interns will work closely with directors of each department, and will arrange for academic credit and flexible hours.

Exhibits Curator: Work with the Curator by assisting in all aspects of planning, receiving and installation of exhibits. Intern will learn how much more than merely hanging art a curator's job entails.
