

## Life Drawing Supply List:

- graphite sticks
- pencils
- charcoal
- colored pencils
- pastels
- conte crayon
- ink
- pen and ink

Whatever students are comfortable with, not necessarily all of these. It is good to have a large newsprint pad, or large drawing pad. A sketchbook is great, but limits the size of drawing, amount of detail etc.

Carla will bring lots of supplies to share so no one should panic if they can't find everything on the list. Her number is 281-384-2473 if people have questions about the class or supplies.
