

Life Drawing Classes at the Arts Alliance Center at Clear Lake

The Arts Alliance Center at Clear Lake offers Life Drawing Classes with a facilitator who offers instruction, as requested by the student. This class is an opportunity for students to draw from nude models, which they cannot do in a public school setting. This is also an opportunity for students to strengthen their portfolios by including drawings from the figure, an inclusion viewed favorably by college representatives.

Students need their own drawing supplies, including paper. Students should bring their payment and permission slips with them to the arts center before the session begins; we will keep the information on file.
